Picture of the detainee

SNHR hold the Syrian government fully responsible for the citizen Abd Allah Sarha's life, and demand the international community to take action to reveal the fate of thousands of detainees that loses their lives daily to an unprecedented and systematic torture at the hands of a regime that has no regard for the most basic humanitarian or moral standards with respect to detainees amid the international and humanitarian's failure to hold legal responsibility in regard to what the detainees are being subjected to inside the prisons of the Syrian regime.
