

## The girl Ghada Fayez Al Sharar killed by government forces

The Syrian Network for Human Rights informed the United Nations' extrajudicial killing team of the case of Citizen Ghada Al Sharar, a girl age 10, from Damascus suburbs, who was killed government forces gunshots in a farm in Jisreen town, March 4, 2016

The Syrian Authorities didn't admit to killing the girl, and her family couldn't submit a complaint as they are in an area controlled by armed opposition.

SNHR confirmed its fear of the killing of civilians from the year 2011, and the victims' numbers are continuously rising.
