

## Documentation of the City of Yabroud Massacre in Rif Dimashq

Yabroud city is located 80km to the north of the capital Damascus in Al Qalmoun Mountains with a population of almost 80,000

Location on the map

Testimony of an eyewitness that was in the area when the shelling happened called Abu Mohammad Al Yabroudi who still alive and communication is available on his Skype account: brave.heart1234567

“Around 3 in the afternoon the concentrated artillery and missile launchers shelling started on civil neighborhoods, also a Mig aircraft shelled as well, all of that was for over two and a half hours with Toshka missiles and SSM missiles for the first time.

The heaviest shelling was on the industrial area with 3 raids one of them was with 6 missiles held by parachutes

And a raid on Al Salehiyeh neighborhood on the children park with 2 interstitial bombs and a raid on Al Qame’iyeh neighborhood. After that the shelling was mostly artillery and missile launchers for over an hour and a half on the industrial area.

After the parachute missiles reached the ground we heard a huge explosion and we saw heavy smoke, we rushed to the explosion site and saw the bodies on the ground some of them we were unable to identify and there was tens of wounded. We immediately aided the wounded to the hospitals”.

SNHR team in Rif Dimashq managed to document the death of 15 civilians including a child and 3 women we also documented the wounding of 50 others and a the damage of many buildings.
